

Standing Harness

The Oxford® Standing Harness is a versatile sling to assist with standing, walking or toileting. It is not a general-purpose sling and requires the patient to be able to partially weight-bear. Often used for rehabilitation activity in combination with an overhead lift.

- ✓ Colour coded binding indicates sling size
- ✓ Coloured attachment loops promote correct/safe positioning
- ✓ Padded body and harness straps for comfort
- ✓ Fully adjustable belt and straps to meet patient needs
